

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-3838/1dn  
MJL:jld:pg

January 23, 2004

Robin:

As we discussed, I am not sure how school boards are going to enforce this mandate. I did not request a fiscal estimate because theoretically a school board does not have to expend money under the bill, but, without drug testing (and I assume that testing carries a price tag), how would a school board know of unauthorized substance use?
