

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-0385/P2dn
PG:kmg:rs

November 4, 2003

1. Instead of amending s. 43.12 (7), I added language to s. 43.12 (1), providing that counties adjacent to Milwaukee County are not required to reimburse public libraries located in Milwaukee County. Does this achieve your intent?
2. Regarding the treatment of s. 43.15 (1) (a): is it OK for a system to consist of fewer than 3 counties as long as it's population is at least 200,000?
3. Instead of providing a definition of "intermunicipal lending" for the purpose of s. 43.17 (12), I modified the language of the subsection to clarify when compensation may be required. OK?
4. Note the initial applicability provision for s. 43.53 (2). OK?
