# NEW YORK

The New York fire safe cigarette legislation became law on August 16, 2000 and will take effect January 1, 2003. What follows is the language for that bill (Section 156-c of the New York Executive Law):

§ 156-c. Fire safety standards for cigarettes. 1. a. When used in this section, the word "cigarette" shall mean any roll for smoking made wholly or in part of tobacco or of any other substance, irrespective of size or shape and whether or not such tobacco or substance is flavored, adulterated or mixed with any other ingredient, the wrapper or cover of which is made of paper or any other substance or material except tobacco.

b. When used in this section, the word "sell" shall mean to sell, or to offer or agree to do the same.

2. a. Within two years after this section takes effect, the office of fire prevention and control shall promulgate fire safety standards for cigarettes sold or offered for sale in this state. Such standards shall take effect as provided in subdivision four of this section and shall insure either:

(1) That such cigarettes, if ignited, will stop burning within a time period specified by the standards if the cigarettes are not smoked during that period; or

(2) That such cigarettes meet performance standards prescribed by the office of fire prevention and control to limit the risk that such cigarettes will ignite upholstered furniture, mattresses or other household furnishings.

b. In promulgating fire safety standards for cigarettes pursuant to this section, the office of fire prevention and control, in consultation with the department of health, shall consider whether cigarettes manufactured in accordance with such standards may reasonably result in increased health risks to consumers.

c. The office of fire prevention and control shall be responsible for administering the provisions of this section.

d. The office of fire prevention and control shall report to the governor and the legislature no later than eighteen months after this section takes effect on the status of its work in promulgating the fire safety standards required by this subdivision.

3. On and after the date the fire safety standards take effect in accordance with subdivision four of this section, no cigarettes shall be sold or offered for sale in this state unless the manufacturer thereof has certified in writing to the office of fire prevention and control and the attorney general that such cigarettes meet the performance standards prescribed by the office of fire prevention and control pursuant to subdivision two of this section. Copies of such written certifications shall be provided by the certifying manufacturer to all wholesale dealers, as defined in subdivision eight of section four hundred seventy of the tax law, and all agents, as defined in subdivision eleven of section four hundred seventy of the tax law. The office of fire prevention and control shall prescribe procedures by which retail dealers are notified of which cigarettes have been certified by manufacturers as meeting the performance standards prescribed by the office of fire prevention and control.

4. The fire safety standards required pursuant to subdivision two of this section shall take effect on such date as the office of fire prevention and control shall specify in promulgating such standards and such date shall be the earliest practicable date by which manufacturers of cigarettes can comply with such standards; provided, however, that such date shall not be later than one hundred eighty days after such standards are promulgated. On and after such date, no person or entity shall sell in this state cigarettes that have not been certified by the manufacturer in accordance with subdivision three of this section; provided, however, that nothing in this subdivision shall be construed to prohibit any person or entity from selling cigarettes that have not been certified by the manufacturer in accordance with subdivision three of this section if such cigarettes are or will be stamped for sale in another state or are packaged for sale outside the United States.

5. a. Any wholesale dealer, as defined in subdivision eight of section four hundred seventy of the tax law, or any agent, as defined in subdivision eleven of section four hundred seventy of the tax law, or any other person or entity who knowingly sells cigarettes wholesale in violation of subdivision four of this section

shall be subject to a civil penalty not to exceed ten thousand dollars per each such sale of such cigarettes. Any retail dealer, as defined in subdivision nine of section four hundred seventy of the tax law, who knowingly sells cigarettes in violation of subdivision four of this section shall be subject to the following: (i) a civil penalty not to exceed five hundred dollars per each such sale or offer for sale of such cigarettes, provided that the total number of cigarettes sold or offered for sale in such sale does not exceed one thousand cigarettes; (ii) a civil penalty not to exceed one thousand dollars per each such sale or offer for sale of such cigarettes, provided that the total number of cigarettes sold or offered for sale in such sale exceeds one thousand cigarettes.

b. In addition to any penalty prescribed by law, any corporation, partnership, sole proprietor, limited partnership or association engaged in the manufacture of cigarettes that knowingly makes a false certification pursuant to subdivision three of this section shall be subject to a civil penalty not to exceed ten thousand dollars for each such false certification.

c. There is hereby established in the custody of the state comptroller a special fund to be known as the "Cigarette Fire Safety Act Fund". Such fund shall consist of all moneys recovered by the attorney general from the assessment of civil penalties authorized by this subdivision. Such monies shall be deposited to the credit of the fund and shall, in addition to any other moneys made available for such purpose, be available to the office of fire prevention and control for the purpose of fire safety and prevention programs. All payments from the cigarette fire safety act fund shall be made on the audit and warrant of the state comptroller on vouchers certified and submitted by the state fire administrator.

6. To enforce the provisions of this section, the attorney general may bring an action on behalf of the people of the state of New York to enjoin acts in violation of this section and to recover civil penalties authorized under subdivision five of this section.

<sup>3</sup>  
~~2001~~ <sub>1</sub> BILL

*Regen*

1 AN ACT *to amend* 20.143 (3) (a); and *to create* 165.25 (4) (ag) and 167.35 of the  
2 statutes; **relating to:** establishing fire safety standards for cigarettes,  
3 granting rule-making authority, making an appropriation, and providing a  
4 penalty.

***Analysis by the Legislative Reference Bureau***

Current law does not require cigarettes to meet any standards with regard to fire safety. This bill requires the department of commerce (department), by rule, to establish fire safety standards that all cigarettes sold or offered for sale in this state must meet. In particular, the fire safety standards must require cigarettes to stop burning within a specified period of time if the cigarettes are not smoked and must require cigarettes to meet performance standards with regard to reducing the risk of certain household fires.

Under the bill, every cigarette manufacturer that desires to permit cigarettes it manufactures to be sold or offered for sale in this state must certify to the department that the cigarettes meet all applicable fire safety standards. The manufacturer must also provide a copy of this certification to each wholesaler that is authorized to sell cigarettes in this state and that purchases the cigarettes from the manufacturer. With certain limited exceptions, the bill prohibits the sale of uncertified cigarettes in this state.

**BILL**

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

---

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

1           SECTION 1. 20.143 (3) (a) <sup>✓</sup> of the statutes is amended to read:

2           20.143 (3) (a) *General program operations.* The amounts in the schedule for  
3 general program operations relating to the regulation of industry, buildings and  
4 safety under chs. 101, 107, 145 and 168 and ss. 32.19 to 32.27, 167.10, 167.11 and,  
5 167.27, and 167.35.

6           SECTION 2. 165.25 (4) (ag) <sup>✓</sup> of the statutes is created to read:

7           165.25 (4) (ag) The department of justice shall furnish legal services upon  
8 request of the department of commerce under s. <sup>✓</sup>167.35 (6).

9           SECTION 3. <sup>✓</sup>167.35 of the statutes is created to read:

10          **167.35 Fire safety standards for cigarettes.** (1) DEFINITIONS. In this  
11 section:

12          (a) "Cigarette" means any roll of tobacco wrapped in paper or any substance  
13 other than tobacco.

14          (b) "Cigarette vending machine" means any mechanical device that  
15 automatically dispenses cigarettes when money or tokens are deposited in the device  
16 in payment for the cigarettes.

17          (c) "Cigarette vending machine operator" means a person who acquires  
18 cigarettes and sells them through the use of <sup>✓</sup>cigarette vending machines that he or  
19 she owns, operates, or services and that are located on premises that are owned or  
20 under the control of other persons.

21          (d) "Department" means the department of commerce.

## BILL

1 (e) "Wholesaler" means a person who has a permit authorizing the person to  
2 sell cigarettes at wholesale in this state to any of the following:

- 3 1. A person who sells cigarettes at retail.
- 4 2. A cigarette vending machine operator.
- 5 3. Another person who sells cigarettes at wholesale.

6 (2) FIRE SAFETY STANDARDS. ✓ The department shall promulgate rules  
7 establishing fire safety standards for all cigarettes sold or offered for sale in this  
8 state. The rules shall establish standards that reduce the risk of fire caused by  
9 cigarettes. In promulgating the rules, the department shall consult with the  
10 department of health and family services ✓ to ensure that the rules do not establish  
11 fire safety standards that result in increased health risks to individuals who smoke  
12 cigarettes. The rules shall establish <sup>at least one</sup> ~~all~~ of the following fire safety standards for all  
13 cigarettes sold or offered for sale in this state, in addition to other fire safety  
14 standards that the department <sup>of commerce</sup> determines are appropriate:

15 (a) That the cigarettes, if ignited, stop burning within a time period specified  
16 in the rules if no individual inhales through the cigarettes during that period.

17 (b) That the cigarettes meet performance standards specified in the rules that  
18 are established for the purpose of limiting the risk that the cigarettes will ignite  
19 upholstered furniture, mattresses, or other household furnishings.

20 (3) ✓ CERTIFICATION FILED BY CIGARETTE MANUFACTURER. (a) Every cigarette  
21 manufacturer that desires to permit cigarettes it manufactures to be sold or offered  
22 for sale in this state shall file a written certification with the department, certifying  
23 that the cigarettes meet all applicable fire safety standards contained in the rules  
24 promulgated under sub. ✓ (2). Upon filing a certification under this ✓ subsection, a  
25 cigarette manufacture shall provide a copy of the certification to every wholesaler

**BILL**

1 that purchases the cigarettes that are the subject of the certification from the  
2 cigarette manufacturer.

3 (b) The department shall promptly forward a copy of each certification it  
4 receives under par. (a) to the attorney general. The department shall establish a  
5 procedure by which persons who sell cigarettes at retail in this state and cigarette  
6 vending machine operators in this state may obtain notification of which cigarettes  
7 are the subject of a certification filed under par. (a).

8 (4) SALE OF UNCERTIFIED CIGARETTES PROHIBITED. (a) Except as provided in par.  
9 (b), no person may sell cigarettes in this state, unless the cigarettes are the subject  
10 of a certification filed under sub. (3) (a).

11 (b) Paragraph (a) does not prohibit any person from selling cigarettes or  
12 offering to sell cigarettes that are not the subject of a certification filed under sub.  
13 (3) (a), if the cigarettes are to be sold in another state or outside of the United States.

14 (5) PENALTIES. (a) Any wholesaler who knowingly sells cigarettes at wholesale  
15 in violation of sub. (4) (a) may be required to forfeit not more than \$10,000 for each  
16 sale.

17 (b) Any person other than a person specified in par. (a) who knowingly sells  
18 cigarettes in violation of sub. (4) (a) may be required to forfeit:

19 1. Not more than \$500 for each sale of not more than 1,000 cigarettes.

20 2. Not more than \$1,000 for each sale of more than 1,000 cigarettes.

21 (c) Any cigarette manufacturer that knowingly files a false certification under  
22 sub. (3) (a) may be required to forfeit not more than \$10,000. Each false certification  
23 constitutes a separate offense.

March 16, 2001

Senator

Senator Robson

Representative Kreibich:

#1. Unlike the New York ~~and Massachusetts~~ legislation, this bill does not create a cigarette fire safety fund into which forfeitures for a violation of the bill must be deposited. Article 10, section 2, of the Wisconsin Constitution requires all money forfeited to the state to be deposited into the school fund. The only way to allow forfeitures for violations of this bill to be deposited into a cigarette fire safety fund would be to amend the Wisconsin Constitution.

#2. The New York legislation requires the ~~required~~ fire safety standards to ensure either that cigarettes stop burning within a specified time if not smoked or that cigarettes meet performance standards to limit the risk of certain household fires. ~~The Massachusetts legislation requires the fire safety standards to include both of these standards. This bill also requires the fire safety standards to include both of these standards. Please let me know if this treatment is not consistent with your intent.~~

#3. Generally, the department of commerce is the agency in this state that is responsible for fire safety. The bill, therefore, requires the department of commerce to establish fire safety standards for cigarettes. Similarly to the New York ~~and Massachusetts~~ bills, this bill requires the attorney general to enforce the bill upon the request of the department of commerce. You may want to contact the department of commerce and the attorney general in order to determine whether this enforcement procedure is feasible. Another option would be to have district attorneys prosecute violations.

4. The penalty provisions in the New York and Massachusetts bills are not identical with regard to violations by wholesalers. This bill uses the penalty in the New York legislation. Please let me know if you do not approve.

#5. The nonstatutory and effective date provisions in this bill require the department of commerce to promulgate proposed fire safety standards for cigarettes within approximately four months after the date of the bill's enactment, but delay the effective date of the standards and the other requirements of the bill until approximately one year after the date of the bill's enactment. This delay is intended to provide sufficient time for cigarette manufacturers, wholesalers, retailers, and vending machine operators to adjust their business practices in order to conform with the new requirements. Please let me know if you do not approve of this procedure.

This bill, like

Another option would be to require

I believe this option was part of similar legislation in Massachusetts.

legislation

#. The tobacco settlement agreement this state entered into on November 23, 1998, raises a potential issue. Under the settlement agreement, this state released tobacco product manufacturers covered by the agreement from, among other things, certain claims that in any way relate to the use of tobacco products manufactured in the ordinary course of business. Arguably, the certification requirement in proposed s. 167.35 (3) (a) indirectly relates to the use of tobacco products because, under the bill, cigarettes may not be sold in this state unless a proper certification is filed. Thus, it is possible to argue that the settlement agreement would prohibit the state from enforcing proposed s. 167.35 (3) (a) against tobacco product manufacturers that are covered by the agreement.

I am by no means an expert in the complicated details of the tobacco litigation but I would be happy to discuss any questions you may have. You may also want to contact assistant attorney general Edwin Hughes to discuss this issue.

AN ACT to amend 20.143 (3) (a); and to create 165.25 (4) (ag) and 167.35 of the statutes, relating to: establishing fire safety standards for cigarettes, granting rule-making authority, making an appropriation, and providing a penalty.

**Analysis by the Legislative Reference Bureau**

Current law does not require cigarettes to meet any standards with regard to fire safety. This bill requires the Department of Commerce (department), by rule, to establish fire safety standards that all cigarettes sold or offered for sale in this state must meet. In particular, the fire safety standards must require cigarettes to stop burning within a specified period of time if the cigarettes are not smoked and must require cigarettes to meet performance standards with regard to reducing the risk of certain household fires.

Under the bill, every cigarette manufacturer that desires to permit cigarettes it manufactures to be sold or offered for sale in this state must certify to the department that the cigarettes meet all applicable fire safety standards. The manufacturer must also provide a copy of this certification to each wholesaler that is authorized to sell cigarettes in this state and that purchases the cigarettes from the manufacturer. With certain limited exceptions, the bill prohibits the sale of uncertified cigarettes in this state.

**BILL**

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

1 ~~SECTION 1. 20.143 (3) (a) of the statutes is amended to read:~~

2 20.143 (3) (a) *General program operations.* The amounts in the schedule for  
3 general program operations relating to the regulation of industry, buildings and  
4 safety under chs. 101, 107, 145 and 168 and ss. 32.19 to 32.27, 167.10, 167.11 and,  
5 167.27, and 167.35.

6 SECTION 2. 165.25 (4) (ag) of the statutes is created to read:

7 165.25 (4) (ag) The department of justice shall furnish legal services upon  
8 request of the department of commerce under s. 167.35 (6).

9 SECTION 3. 167.35 of the statutes is created to read:

10 **167.35 Fire safety standards for cigarettes.** (1) DEFINITIONS. In this  
11 section:

12 (a) "Cigarette" means any roll of tobacco wrapped in paper or any substance  
13 other than tobacco.

14 (b) "Cigarette vending machine" means any mechanical device that  
15 automatically dispenses cigarettes when money or tokens are deposited in the device  
16 in payment for the cigarettes.

17 (c) "Cigarette vending machine operator" means a person who acquires  
18 cigarettes and sells them through the use of cigarette vending machines that he or  
19 she owns, operates, or services and that are located on premises that are owned or  
20 under the control of other persons.

21 (d) "Department" means the department of commerce.

Insert  
2-5

**BILL**

1 (e) "Wholesaler" means a person who has a permit authorizing the person to  
2 sell cigarettes at wholesale in this state to any of the following:

- 3 1. A person who sells cigarettes at retail.
- 4 2. A cigarette vending machine operator.
- 5 3. Another person who sells cigarettes at wholesale.

6 (2) FIRE SAFETY STANDARDS. The department shall promulgate rules  
7 establishing fire safety standards for all cigarettes sold or offered for sale in this  
8 state. The rules shall establish standards that reduce the risk of fire caused by  
9 cigarettes. In promulgating the rules, the department shall consult with the  
10 department of health and family services to ensure that the rules do not establish  
11 fire safety standards that result in increased health risks to individuals who smoke  
12 cigarettes. The rules shall establish at least one of the following fire safety standards  
13 for all cigarettes sold or offered for sale in this state, in addition to other fire safety  
14 standards that the department of commerce determines are appropriate:

15 (a) That the cigarettes, if ignited, stop burning within a time period specified  
16 in the rules if no individual inhales through the cigarettes during that period.

17 (b) That the cigarettes meet performance standards specified in the rules that  
18 are established for the purpose of limiting the risk that the cigarettes will ignite  
19 upholstered furniture, mattresses, or other household furnishings.

20 (3) CERTIFICATION FILED BY CIGARETTE MANUFACTURER. (a) Every cigarette  
21 manufacturer that desires to permit cigarettes it manufactures to be sold or offered  
22 for sale in this state shall file a written certification with the department, certifying  
23 that the cigarettes meet all applicable fire safety standards contained in the rules  
24 promulgated under sub. (2). Upon filing a certification under this subsection, a  
25 cigarette manufacture shall provide a copy of the certification to every wholesaler

**BILL**

1 that purchases the cigarettes that are the subject of the certification from the  
2 cigarette manufacturer.

3 (b) The department shall promptly forward a copy of each certification it  
4 receives under par. (a) to the attorney general. The department shall establish a  
5 procedure by which persons who sell cigarettes at retail in this state and cigarette  
6 vending machine operators in this state may obtain notification of which cigarettes  
7 are the subject of a certification filed under par. (a).

8 (4) SALE OF UNCERTIFIED CIGARETTES PROHIBITED. (a) Except as provided in par.  
9 (b), no person may sell cigarettes in this state, unless the cigarettes are the subject  
10 of a certification filed under sub. (3) (a).

11 (b) Paragraph (a) does not prohibit any person from selling cigarettes or  
12 offering to sell cigarettes that are not the subject of a certification filed under sub.  
13 (3) (a), if the cigarettes are to be sold in another state or outside of the United States.

14 (5) PENALTIES. (a) Any wholesaler who knowingly sells cigarettes at wholesale  
15 in violation of sub. (4) (a) may be required to forfeit not more than \$10,000 for each  
16 sale.

17 (b) Any person other than a person specified in par. (a) who knowingly sells  
18 cigarettes in violation of sub. (4) (a) may be required to forfeit:

- 19 1. Not more than \$500 for each sale of not more than 1,000 cigarettes.
- 20 2. Not more than \$1,000 for each sale of more than 1,000 cigarettes.

21 (c) Any cigarette manufacturer that knowingly files a false certification under  
22 sub. (3) (a) may be required to forfeit not more than \$10,000. Each false certification  
23 constitutes a separate offense.

(c) The department shall establish a fee under s. 101.19(1)(k)  
for processing certifications filed under par. (a).

BILL

12th

1 (6) ENFORCEMENT. The attorney general shall take all necessary action, upon  
2 the request of the department, to enforce compliance with subs. (3) and (4) and rules  
3 promulgated under sub. (2).

4 a.r. SECTION 4 Nonstatutory provisions. a.r. (to eff date)

5 (1) PROMULGATION OF FIRE SAFETY STANDARDS. Not later than the first day of the  
6 ~~12th~~ month beginning after the effective date of this subsection, the department of  
7 commerce shall submit in proposed form the rules required under section 167.35 (2)  
8 of the statutes, as created by this act, to the legislative council staff under section  
9 227.15 (1) of the statutes.

10 SECTION 5. Effective dates. This act takes effect on the first day of the ~~12th~~ <sup>18th</sup>  
11 month beginning after publication, except as follows: ✓

12 (1) PROMULGATION OF FIRE SAFETY STANDARDS. SECTION 4 (1) of this act takes effect  
13 on the day after publication. a.r. a.r. a.r.
