

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3797/4dn
RCT:kmg:pg

February 12, 2004

Ann Molitor:

I included a deadline for a public water system operator to request that a consent agreement be reopened so that the new provision could be placed in nonstatutory language rather than in the statutes. If you would prefer a different deadline or if you have any questions, please let me know.
