JOINT

**2003 SENATE RESOLUTION**

Thurs  
Am

1 **Relating to:** commending Professor Bryant Browne and the University of  
2 Wisconsin-Stevens Point on receipt of a patent for a device used to test gases  
3 in groundwater and surface water.

4 Whereas, Bryant Browne, assistant professor of soils at the University of  
5 Wisconsin-Stevens Point, College of Natural Resources, invented a device for testing  
6 gases in groundwater and surface water that substantially simplifies the process for  
7 testing and allows scientists to test for multiple gases at the same time; and

8 Whereas, Professor Browne's invention has multiple beneficial uses, including:  
9 monitoring water quality; measuring emissions of global warming gases that enter  
10 streams; and, potentially, removing toxic gases from groundwater supplies; and

11 Whereas, Professor Browne's patent may be licensed to a company for  
12 production of testing devices, and as such is a great example of how research may be  
13 commercialized into a product that generates income for the university; and

14 Whereas, Professor Browne's patent is only the second patent that the  
15 University of Wisconsin-Stevens Point has been awarded in the last six years; and

3

1           Whereas, Professor Browne is an associate professor at the UW-Stevens Point  
2 College of Natural Resources, where he teaches water chemistry and soil physics;  
3 and

4           Whereas, Bryant Browne was awarded the UWSP Excellence in Teaching  
5 Award in 1996; and

*the assembly concurring*

6           Whereas, the University of Wisconsin-Stevens Point College of Natural  
7 Resources is a nationally recognized educational and research program; now,  
8 therefore, be it

*legislature*

9           **Resolved by the senate, That** the members of the Wisconsin senate commend  
10 Professor Bryant Browne and the University of Wisconsin-Stevens Point for  
11 Professor Browne's contribution to scientific knowledge and betterment of the  
12 environment; and, be it further

*joint*

13           **Resolved, That** the senate chief clerk shall provide copies of this resolution to  
14 Professor Browne and to the chancellor of the University of Wisconsin-Stevens  
15 Point.

16

(END)
