Establish New Appropriation for Veterinary Diagnostic Laboratory

ESTABLISHMENT OF A NEW APPROPRIATION FOR THE VETERINARY DIAGNOSTIC LABORATORY

Language Changes Needed

Create a federal appropriation for the Veterinary Diagnostic Laboratory.

Background and Justification

The veterinary diagnostic laboratory is a separate entity which is located on the UW-Madison campus. It will be the recipient of federal funds. This proposal would create a separate statutory appropriation which would permit the laboratory to receive federal funds directly into its own PRF account. This would make the transfer of funds more efficient and would make clear the independent status of the laboratory relative to the UW-Madison campus.
