Budget Office Request Title:

Oversize/Overweight vehicle permit surcharge

Request Description:

Extend the 10% permit surcharge sunset date for oversize/overweight vehicles from June 30, 2003, to June 30, 2005. Further information is provided in the attached information prepared by the department.

BB273

**Department of Transportation
2003-2005 Biennial Budget Request
STATUTORY MODIFICATIONS**

TOPIC: Oversize/Overweight Vehicle Permitting System

DESCRIPTION OF CHANGE:

The Department requests extending the 10% surcharge on oversize/overweight routing permits by changing the sunset date of June 30, 2003 to June 30, 2005 to recover an additional \$403,700 SEG in surcharge revenue in each year of the biennium

Amend s. 348.25(8) Wis. Stats., to extend the sunset date for the temporary 10% surcharge on oversize/overweight (OS/OW) route permits from June 30, 2003 to June 30, 2005.

JUSTIFICATION:

1999 Wisconsin Act 9, the biennial budget bill, authorized the Department to develop an automated OS/OW permit routing system as the means to reduce permit issuance turn-around time for the motor carrier industry and to decrease department workload issues. The Department received SEG funding for project development and the authority to impose a temporary 10% surcharge on OS/OW permits. The surcharge was enacted with agreement from the motor carrier industry as the method for commercial carriers to share the cost of system development and to provide partial reimburse to the Transportation Fund. The Department requests an extension of the sunset date as specified in s. 348.25 (8) Wis. Stats., from June 30, 2003 to June 30, 2005. The new sunset date reflects an agreement between the Department and the motor carrier industry to ensure an equitable sharing of project costs. If the sunset date is not extended, the Department's revenue collections will decrease by \$403,700 SEG in each year of the biennium.

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

1 AN ACT ^{Don't GEN. CAT.} relating to: fees for permits authorizing the operation of motor
2 vehicles that exceed statutory limitations on size, weight, or load.

Analysis by the Legislative Reference Bureau

TRANSPORTATION

DRIVERS AND MOTOR VEHICLES

Under current law, no person may operate upon a highway any vehicle or combination of vehicles that exceeds certain statutory limits on size, weight, or load unless that person possesses a permit issued by DOT. The fees for certain single trip, annual, consecutive month, and multiple trip permits issued by DOT are 10% higher than the usual rates for the period beginning on January 1, 2000, and ending on June 30, 2003, after which time the fees revert to their previous amounts.

This bill delays the sunset date of the permit fee increases from June 30, 2003, to June 30, 2005.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
