Under current law, DHFS operates a Retired Senior Volunteers Program (RSVP) to provide volunteer services in a community by persons aged 60 or older. DHFS provides a state supplement to federally funded RSVP units that were in operation on December 1, 1988, and provides an additional supplement to counties and federally–recognized tribal governing bodies for federally and non–federally funded RSVPs. Persons who volunteer under a RSVP receive transportation assistance and accident and liability insurance coverage during working hours.

This bill eliminates the RSVP.

For further information see the _state and local_ fiscal estimate, which will be printed as an appendix to this bill.
