TRANSPORTATION

DRIVERS AND MOTOR VEHICLES

Under current law, with certain exceptions, DOT charges an annual vehicle registration fee of \$45 per automobile. DOT charges an annual vehicle registration fee based on weight for a motor home, or for a motor truck, road tractor, trailer, or combination vehicle.

Currently, the annual registration fee is \$48.50 for a motor home that weighs not more than 5,000 pounds and \$55 for a motor home that weighs not more than 8,000 pounds. The annual registration fee is \$48.50 for a motor truck, road tractor, trailer, or combination vehicle that weighs not more than 4,500 pounds.

Under this bill, the annual registration fee for an automobile, a motor home that weighs not more than 8,000 pounds, and a motor truck, road tractor, trailer, or combination vehicle that weighs not more than 4,500 pounds, is \$55.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 341.25 (1) (a) of the statutes is amended to read:

Ben,

This draft increases the vehicle registration fee for automobiles that are currently registered at \$45 annually. Because your request mentioned "light passenger vehicles," I also increased the fees for motor homes that weigh less than 5000 pounds (currently registered at \$48.50) and for vehicles other than agricultural vehicles that are registered on a per-weight basis and that weigh less than 4500 pounds (also currently registered at \$48.50). I did not increase registration fees for agricultural vehicles. X

Please also note that the registration fees for certain ^{other} vehicles are "tied" to the registration fee for automobiles. Section 341.25 (1) (k) registers human service vehicles and ~~sec.~~ 341.26 (7) (b) registers certain buses at the same rate as automobiles. Under this draft, the fee for those vehicles is increased to \$55 annually. X

Please let me know if this satisfies your intent.

Peggy,

Please modify LRB 1575/1 to leave the fees at \$48.50 for motor homes weighing less than 5,000 lbs., and non-agricultural vehicles weighing less than 4,500 lbs.

The intent is to just adjust the registration fee for automobiles. Let me know if you have any questions.

Thanks,

Kirsten
