We wish to remove staff support for this board and to have any ancillary support provided by the Division of Hearings and Appeals. Could you opine if this needs drafting, and follow thru if it does?

Thank you.

Under current law, the Waste Facility Siting Board (WFSB) has responsibilities related to negotiation and arbitration between local governments and persons who want to establish or expand solid waste disposal facilities. WFSB is attached to DOA for administrative purposes. Current law authorizes WFSB to appoint an executive director outside of the classified service.

This bill eliminates the authority of WFSB to appoint an executive director. The bill requires the Division of Hearings and Appeals, which is also attached to DOA for administrative purposes, to provide staff to assist WFSB in performing its duties.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

2 SECTION 1. 15.105 (12) (e) of the statutes is repealed. ✓

This is the draft that eliminates the executive director of the Waste Facility Siting Board and requires the Division of Hearings and Appeals to provide the Board with staff support. I noticed that the Division has authority to charge departments' fees for the hearings that it conducts (see s. 227.43 (3)). The fees are credited to s. 20.505 (4) (kp). Should this draft authorize the Division to charge the Board for the services that the Division provides?
