This bill eliminates the GWBLB and the position of executive ~~secretary~~ of the GWBLB and transfers administration of the employment and education programs currently administered by the GWBLB to the Department of ~~Public Instruction~~.

1. If you want the unencumbered balances of any of the appropriations under s. 20.445[✓] (7) that are repealed by this draft transferred to any of the existing appropriations to DPI that will absorb the expenditure authority of those repealed appropriations, please provide, for each repealed DWD appropriation, the existing DPI appropriation to which you want the unencumbered balance transferred. Otherwise, the unencumbered balances will lapse to the general fund.
2. If you want specific positions transferred from DWD to DPI, please provide the exact number of positions and the precise appropriation funding those positions, both in DWD under current law and in DPI under the draft, so that I can draft provisions decreasing the positions authorized for DWD and increasing the positions authorized for DPI. Currently, the draft simply provides that all positions in DWD that are primarily related to the functions of the Governor's Work-Based Learning Board, other than the executive director, are transferred to DPI.

Josh:

As I have had a chance to look at your request to transfer the GWBLB to DPI, the following questions have arisen:

1. In item 6 of your request you indicate that certain appropriations to the GWBLB will be repealed and their expenditure authority will be absorbed by existing DPI appropriations. Under s. 20.002 (3m), when an appropriation is repealed the unencumbered balance in that appropriation lapses to the general fund unless the bill specifies otherwise. Do you want the unencumbered balance of any repealed appropriation to be transferred to a DPI appropriation? If so, please indicate, for each repealed DWD appropriation, the existing DPI appropriation to which you want the unencumbered balance transferred.
2. You indicate in item 2 of your request that the executive director of the GWBLB will be eliminated. What about the rest of the positions? I assume that they will be transferred to DPI. If so, I need to draft a provision decreasing the authorized FTE positions for DWD and correspondingly increasing the authorized FTE positions for DPI. To do that, however, I need to know the exact number of positions and the precise appropriation funding those positions in both DWD under current law and DPI under your proposal.

I went through a similar exercise with Steve Milioto of your office with respect to the TEACH Board, so you might want to talk to him about the information that I need.

Thanks.
