Lonnie, RJ called. He wants to redo LRB-1735 to do for the advanced opportunity grant program what you did for Lawton grants; i.e., include a new approp funded from the auxiliary enterprises approp. He was doing file maintenance and needed the new appropriatin alpha. I told him the new approp would be 20.285(4)(gm). OK? (Note that the advanced opportunity program is now funded from 20.285(4)(b).)

Gordon,

Over the weekend we realized that the WHEG-UW has a cap on the amount of grant funds a student can receive. With the new supplemental appropriation from auxiliary enterprises, the cap limits the ability to spend all the money we are setting up to spend.

So, could you please amend the draft that sets up the WHEG-UW auxiliary enterprises appropriation to also REMOVE THE CAP ON THE INDIVIDUAL STUDENT GRANT.

If you have questions, please call, or email me.

EDUCATION

HIGHER EDUCATION

Under current law, the Board of Regents of the UW System awards grants, known as Lawton grants, to minority undergraduates enrolled in the UW System and grants to minority and disadvantaged graduate students enrolled in the UW System, and the Higher Educational Aids Board (HEAB) awards Wisconsin higher education grants to undergraduates enrolled in nonprofit public institutions of higher education or tribally controlled colleges in this state. Currently, a Wisconsin higher education grant may not exceed \$1,800 for any academic year. This bill eliminates that cap. The bill also creates three supplemental appropriations for the Lawton minority undergraduate, the minority and disadvantaged graduate student, and the Wisconsin higher education grant programs that are funded from moneys received by the UW System for auxiliary enterprises, such as dining halls and parking facilities.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
