Subject: Statutory Language Request

Indirect Childcare Allocation

Attached is a request for a statutory language change affecting the allocations for indirect childcare programs under s.49.155 (1g).

If you have any questions, please call me at 6-8219, or send me an email at:
erin.fath@doa.state.wi.us.

Thank you.

Please change the allocation for indirect childcare items as follows:

1. Under s.49.155 (1g) (b): change the allocations to \$6,679,100 for both FY04 and FY05.
2. Under s.49.155 (1g) (b): delete the references as follows:

From the appropriation under s. 20.445 (3) (mc), distribute ~~\$44,955,200~~ 6,679,100 in each fiscal year 2001-02 and \$27,977,500 in fiscal year 2002-03 for the purposes of ~~providing technical assistance for child care providers, for administering the child care program under this section, and for grants under s. 49.136 (2) for the start-up and expansion of child day care services, for child day care start-up and expansion planning, for grants under s. 49.134 (2) for child day care resource and referral services, for grants under s. 49.137 (3) to assist child care providers in meeting the quality of care standards established under sub. (1d), for a system of rates or a program of grants, as provided under sub. (1d), for reimbursement of child care providers that meet those quality of care standards, for grants under s. 49.137 (2) and (4m), for a child care scholarship and bonus program, for safe child care activities, for administration of the department's office of child care, and for contracts under s. 49.137 (4) to improve the quality of child day care services in this state.~~

The purpose of these language changes is to limit the funding provided in FY04 and FY05 to use for resource and referral activity (s49.134) and administrative costs. Funding is also provided in the indirect childcare budget for childcare licensing activities at DHFS, but that is addressed under s.49.155 (1g) (c).

3. Under s.49.155 (1g) (c): change the allocations to \$4,260,300 for both FY04 and FY05.

✓ 4. Repeal s.49.155 (1g) (d).

WISCONSIN WORKS

Current law specifies how federal Temporary Assistance for Needy Families (TANF) block grant moneys that are used for child care-related purposes are to be allocated in fiscal years 2001-02 and 2002-03. This bill allocates \$6,679,100 of TANF moneys in each of fiscal years 2003-04 and 2004-05 for administering the Wisconsin Works child care subsidy program, under which a child care subsidy is provided to a person who meets certain financial and nonfinancial eligibility criteria, who is the parent of a child under age 13 or under age 19 if the child is disabled, and who needs child care in order to participate in certain educational or work activities; for administration costs of DWD's office of child care; and for grants to nonprofit corporations or Indian tribes for providing various child care-related services. The bill also eliminates TANF funding of \$182,200 in each fiscal year for administration of day care programs for foster parents in Milwaukee County.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Pam, please make the following change in LRB draft 1751:
Under section 2, change the allocation under s.49.155(1g)(c) to \$4,440,600 in FY04 and \$4,507,900 in FY05.

Also, just FYI - the budget office managers are meeting with the Governor this a.m. for a final briefing. It is possible that he could make some decision concerning the TANF budget that would change some of the allocations under s.49.175. So, if you still have that draft, you may want to just hold onto that until you hear back from me. I'll call you as soon as I know to let you know whether there will be any changes to that draft.

Thanks!
