Analysis by the Legislative Reference Bureau

HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, DWD is required to allocate specific amounts of moneys in each fiscal year, including federal moneys received under the federal Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs. This bill increases and decreases the amounts of moneys that DWD is required to allocate in each fiscal year for the various public assistance programs. The bill also eliminates some of the TANF allocations under current law, including those for payment of community reinvestment funds, for food stamp benefits for legal immigrants, for distributions to the Wisconsin Trust Account Foundation for providing legal services to certain low-income individuals, for grants to organizations providing community-based alcohol and other drug abuse treatment for certain low-income individuals, and for the statewide immunization program for school children. Eliminating an allocation of TANF funds does not eliminate a program or service that has other funding.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

1 AN ACT *f*; relating to: the budget.

Analysis by the Legislative Reference Bureau
HEALTH AND HUMAN SERVICES
PUBLIC ASSISTANCE

Under current law, DWD is required to allocate specific amounts of moneys in each fiscal year, including federal moneys received under the federal Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs. This bill increases and decreases the amounts of moneys that DWD is required to allocate in each fiscal year for the various public assistance programs. The bill also eliminates some of the TANF allocations under current law, including those for payment of community reinvestment funds, for food stamp benefits for legal immigrants, for distributions to the Wisconsin Trust Account Foundation for providing legal services to certain low-income individuals, for grants to organizations providing community-based alcohol and other drug abuse treatment for certain low-income individuals, and for the statewide immunization program for school children. Eliminating an allocation of TANF funds does not eliminate a program or service that has other funding.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

****Drafting request****

- A. Everything included in LRB 1256/3 should come back into the budget bill.
- B. We need to amend the draft 1752, pertaining to the allocations under s.49.175. Most allocations under s.49.175 (1) will remain the same as in LRB 1752/2 (and 1752/3), but some will change. I'm not sure which version of the draft you'll be starting with, but this is how we need things to read:

1. s.49.175 (1) (a)

- ✓ • Title: Wisconsin Works benefits, wages, and stipends (note: based on the Governor's decision, David Riemer would really like it to read "benefits" before "wages" if at all possible):
 - ✓ • Language:
 - For W-2 benefits in the 2002-2003 contracts
 - For benefits, wages and stipends in the 2004-2005 contracts (again, David Riemer really wants to see the word "benefits" before wages, if at all possible).
 - ✓ • Allocation: **2002-2003 contracts - \$35,713,700 in FY04**
2004-2005 contracts - \$35,713,800 in FY04 and \$78,410,800 in FY05
- [The allocation amount is the same as in LRB draft 1752/3.]

2. s.49.175 (1) (b)

- ✓ • Title: Wisconsin Works administration (as in LRB 1752/3)
 - ✓ • Language: as in LRB 1752/3
 - ✓ • Allocation: **2002-2003 contracts - \$11,139,800 in FY04**
2004-2005 contracts - \$11,139,900 in FY04 and \$22,279,700 in FY05
- [Everything is the same as in LRB draft 1752/3.]

3. s.49.175 (1) (f)

- ✓ • Title: Wisconsin Works ancillary services [same as in LRB draft 1752/3]
 - ✓ • Language:
 - ✓ "program services under W-2, including transportation assistance ... ", in the 2002-2003 contracts
 - ✓ "program services under W-2, including transportation assistance ..., education and training, mentoring, and other services", in the 2004-2005 contracts (i.e., drawing on the language for this section under LRB draft 1752/2, but removing the specificity about individuals in transitional jobs and transitional job employers).
 - ✓ • Allocation: **2002-2003 contracts - \$27,803,300 in FY04**
2004-2005 contracts - \$27,803,300 in FY04 and \$55,606,600 in FY05
- [The allocation amount is the same as in LRB draft 1752/3.]

4. s.49.175 (1) (p) [Child care subsidies]

- ✓ • Title: Direct child care services (current law)
 - ✓ • Language: "For direct child care providers under s.49.155, \$X in fiscal year 2003-04 ..." (current law)
 - ✓ • Allocation: **\$293,634,300 in FY04**
\$291,385,000 in FY05
- "services"

5. Remove the newly created allocation s.49.175 (1) (pm)

6. s.49.175 (1) (zh) [Taxable year 1999 and thereafter]

- ✓ • Title and language are ok as is
- ✓ • Allocation: **\$57,892,000 in FY04 [no change]**
\$50,300,000 in FY05

[Everything is the same as in LRB draft 1752/3.]

1 AN ACT relating to: the budget.

Analysis by the Legislative Reference Bureau
HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, DWD is required to allocate specific amounts of moneys in each fiscal year, including federal moneys received under the federal Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs. This bill increases and decreases the amounts of moneys that DWD is required to allocate in each fiscal year for the various public assistance programs. The bill also eliminates some of the TANF allocations under current law, including those for payment of community reinvestment funds, for food stamp benefits for legal immigrants, for distributions to the Wisconsin Trust Account Foundation for providing legal services to certain low-income individuals, for grants to organizations providing community-based alcohol and other drug abuse treatment for certain low-income individuals, and for the statewide immunization program for school children. Eliminating an allocation of TANF funds does not eliminate a program or service that has other funding.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

Analysis by the Legislative Reference Bureau
HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, DWD is required to allocate specific amounts of moneys in each fiscal year, including federal moneys received under the federal Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs. This bill increases and decreases the amounts of moneys that DWD is required to allocate in each fiscal year for the various public assistance programs. The bill also eliminates some of the TANF allocations under current law, including those for payment of community reinvestment funds, for food stamp benefits for legal immigrants, for distributions to the Wisconsin Trust Account Foundation for providing legal services to certain low-income individuals, for grants to organizations providing community-based alcohol and other drug abuse treatment for certain low-income individuals, and for the statewide immunization program for school children. Eliminating an allocation of TANF funds does not eliminate a program or service that has other funding.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

FOR 2003-05 BUDGET — NOT READY FOR INTRODUCTION

1 AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau

HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, DWD is required to allocate specific amounts of moneys in each fiscal year, including federal moneys received under the federal Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs. This bill increases and decreases the amounts of moneys that DWD is required to allocate in each fiscal year for the various public assistance programs. The bill also eliminates some of the TANF allocations under current law, including those for payment of community reinvestment funds, for food stamp benefits for legal immigrants, for distributions to the Wisconsin Trust Account Foundation for providing legal services to certain low-income individuals, for grants to organizations providing community-based alcohol and other drug abuse treatment for certain low-income individuals, and for the statewide immunization program for school children. Eliminating an allocation of TANF funds does not eliminate a program or service that has other funding.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
