1 AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau

GAMBLING

Under current state law, the governor, on behalf of the state, is authorized to negotiate and enter into Indian gaming compacts to regulate the operation of Indian gaming facilities on Indian lands. These compacts are regulated by the federal Indian Gaming Regulatory Act. Currently, all revenue received by the state under these compacts is credited to three program revenue accounts and used to fund gaming law enforcement, the Indian gaming operations of the Division of Gaming in DOA, and a variety of specified programs.

This bill requires the first \$24,352,500 received in any fiscal year under these compacts to be credited to the program revenue accounts that are funded with these receipts under current law. Receipts in excess of this amount are paid into the general fund under the bill, except that not more than \$112,000,000 may be paid into the general fund during the 2003-04 fiscal year and not more than \$125,000,000 may be paid into the general fund during the 2004-05 fiscal year.
