Drafting Request To LRB

Steve,

We desire the following draft for the 03-05 budget bill. A hard copy will arrive today. Carol has assigned the following bb #
BB0469

Your assistance is greatly appreciated. Please contact me if you desire any additional information.

Intent

Forgive the loan from OCI to the general fund (for the priv employer health program in ETF) that was mandated by Act109 as per sections 508r and 57b.

Act 109 mandated the loan and specified the manner in which it was to be repaid. The intent of this request is to include language in the budget bill that essentially forgives the loan and any interest (I believe this makes it a lapse from OCI PR to the general fund).

RETIREMENT AND GROUP INSURANCE

2001 Wisconsin Act 109 required that, no later than October 1, 2002, an amount equal to \$850,000 lapse from the general program operations appropriation of the Office of the Commissioner of Insurance to the general fund. The amount lapsed was considered a loan to the general fund and was required to be repaid, with interest, from moneys subsequently lapsed to the general fund from an appropriation to the Department of Employee Trust Funds for the private employer health care coverage program. The bill provides that the loan is not to be repaid.
