1 (1) STATE AGENCY PAYMENTS RELATING TO UNFUNDED PRIOR SERVICE LIABILITY UNDER  
2 THE WISCONSIN RETIREMENT SYSTEM.

3 (a) The definitions in section 20.001 of the statutes are applicable in this  
4 subsection, except that "state agency" does not include the department of employee  
5 trust funds or the investment board.

6 (b) If obligations are issued under section 16.526 or 16.527 of the statutes, or  
7 both, during the 2003-05 fiscal biennium, the secretary of administration shall  
8 determine for each state agency the amount that the agency would have been  
9 required to expend under section 40.05 (2) (b) of the statutes during the 2003-05  
10 fiscal biennium had the obligations not been issued, and from each appropriation  
11 from which the moneys would have been expended.

12 (c) From each sum certain appropriation of general purpose revenue identified  
13 in paragraph (b), the secretary of administration shall lapse to the general fund the  
14 amount specified in paragraph (b) that would otherwise have been expended from  
15 each of the appropriations. The secretary of administration shall make the lapse on  
16 the day on which the state agency would have been required to make the  
17 expenditure. After the secretary of administration makes the lapse, each of the sum  
18 certain appropriations is decreased by the amount specified in paragraph (b) for that  
19 appropriation.

20 (d) For each sum sufficient appropriation of general purpose revenue identified  
21 in paragraph (b), the expenditure estimate for the appropriation during the 2003-05  
22 fiscal biennium is reestimated to subtract the amount specified in paragraph (b) for  
23 that appropriation.

24 (e) 1. Except as provided in subdivision 2., from each appropriation of program  
25 revenues or program revenues-service identified in paragraph (b), the secretary of

Insert

1 administration shall lapse to the general fund the amount specified in paragraph (b)  
2 that would otherwise have been expended from each of the appropriations. The  
3 secretary of administration shall make the lapse on the day on which the state  
4 agency would have been required to make the expenditure. After the secretary of  
5 administration makes the lapse, each of the sum certain program revenues or  
6 program revenues—service appropriations is decreased by the amount specified in  
7 paragraph (b) for that appropriation.

8 2. From each appropriation of federal revenues, the secretary of administration  
9 shall determine the amount that is lapsed to the general fund.

10 (f) 1. Except as provided in subdivision 2., from each appropriation of  
11 segregated fund revenues or segregated fund revenues — service identified in  
12 paragraph (b), the secretary of administration shall lapse to the underlying fund the  
13 amount specified in paragraph (b) that would otherwise have been expended from  
14 each of the appropriations. The secretary of administration shall make the lapse on  
15 the day on which the state agency would have been required to make the  
16 expenditure. After the secretary of administration makes the lapse, each of the sum  
17 certain segregated revenues or segregated revenues — service appropriations is  
18 decreased by the amount specified in paragraph (b) for that appropriation, and the  
19 expenditure estimate for each of the appropriations that are not sum certain  
20 appropriations is reestimated to subtract the amount specified in paragraph (b) for  
21 that appropriation. The secretary of administration shall then transfer the lapsed  
22 amounts and an amount equal to the amount subtracted from the estimates to the  
23 general fund.

Insert

1           2. From each appropriation of segregated federal revenues, the secretary of  
2 administration shall determine the amount that is transferred to the general fund.
