Sorry, Charlie--I read the instructions as covering both the eligibility and the proposed expansion. I'll fix.

Dear Debora:

After reviewing budget draft 0077/1, it appears that the draft would delete both the Governor's changes to eligibility for Family Care and the directive that DHFS study the feasibility of expanding Family Care to additional counties. I believe that the changes in eligibility relate to the inclusion of Kenosha County as a Family Care CMO county in the 2003-05 biennium and should be retained in the bill to reflect the Governor's recommendation to fund this expansion. However, the Committee's wanted to delete the provision that relates to the study of the feasibility of expanding FC to additional counties. Could you please redraft this amendment to only delete 9124(7) from the bill? I think that will do the trick.

Thanks! Charlie (266-3847)
