Ron Shanovich:

The attached amendment requires the department of commerce to earmark \$1,000,000 from the appropriation account under s. 20.143 (1) (ie), stats., for grants under subch. V of ch. 560. Please note the following issues:

1. Under the amendment, the earmarked amounts may be used for grants but not loans.

2. Do you want to provide an exception so that the earmarked amounts can not be used for grants under s. 560.65, stats.?

3. Are there any other appropriation accounts in which you would like amounts to be earmarked?

4. Would you like to also allow the earmarked amounts to be used for loans under s. 560.147, stats., for grants under ss. 560.16, 560.175, and 560.25, stats., for assistance under s. 560.06 (2), stats., or for reimbursements under s. 560.167, stats.? These purposes were included in a similar earmarking requirement in SAs~~1~~ to SSAs~~1~~ to Jan. 2003, Spec. Session SB-1 (which was tabled after being offered by Senators Jauch and Moore).

5. I tried to simplify the criteria for determining eligibility for earmarked amounts. Please review the criteria and let me know if they do not accomplish the committee's intent.
