*Analysis by the Legislative Reference Bureau*  
COMMERCE AND ECONOMIC DEVELOPMENT

ECONOMIC DEVELOPMENT

Under current law, the Department of Commerce operates a grant program for eligible technology-based nonprofit organizations to provide support for manufacturing extension centers. This bill repeals this grant program. Current law also authorizes grants to be made under the Wisconsin development fund grant program to provide matching funds for establishing manufacturing extension centers that will promote technology transfer to businesses in this state. This bill repeals this authorization. This bill also reallocates \$500,000 in Indian gaming receipts currently used to fund manufacturing extension center grants to the conservation fund.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
