ALTERNATIVES

1.   Approve the Governor's recommendation to: (a) require OJA to apply for contracts, and receive and expend federal funds related to homeland security; and (b) create a federal continuing appropriation under OJA for the receipt and expenditure of aid for homeland security programs.

2.   Modify the Governor's recommendation by: (a) requiring the Division of Emergency management under DMA, rather than OJA, to apply for contracts, and receive and expend federal funds related to homeland security; and (b) creating a federal continuing appropriation under DMA's emergency management services program, rather than under OJA, for the receipt and expenditure of funds for homeland security programs. Enumerate as a statutory duty of the Adjutant General, the administration of federal homeland security funds.

3.   *In addition to Alternative 1 or Alternative 2,* provide that the Governor may not authorize the expenditure of any federal funds for state homeland security assistance, unless the plan for the expenditure of these funds is approved by the Joint Committee on Finance under a 14-day passive review process.
