Here is the motion that was passed regarding the nurse stipend education program. Charlie suggested creating a SEG appropriation in VA that would contain the funds transferred from the veterans trust fund (\$43,700 annually). The new appropriation would fund the state's MA match funds for the nurse stipend program.

Let me know if you have any questions.

THANKS!!!

VETERANS AFFAIRS -- HOMES AND FACILITIES FOR VETERANS

Nurse Stipend Program
[LFB Paper #815]

L R B draft # 324/1

Motion:

Move to adopt Alternative 1 in LFB Paper #815. In addition, reduce MA benefits funding budgeted in DHFS by \$43,700 GPR in 2003-04 and by \$43,700 GPR in 2004-05. Instead, provide \$43,700 SEG annually from the veterans trust fund to support the state share of the medical assistance (MA) costs of providing the stipends.

Karin Swissdorf

Note:

The Governor's bill would increase funding for the appropriation that supports DVA's institutional operations by \$105,000 PR annually to support the proposed nurse stipend program. This appropriation is supported by a combination of revenue from members in DVA's care facilities, per diem payments DVA receives from the U.S. Department of Veterans Affairs, and medical assistance (MA) payments budgeted in the Department of Health and Family Services.

This motion would delete the GPR MA benefits funding budgeted to support the nurse stipend program, and instead fund the state's share of these costs with unallocated revenue from the segregated veterans trust fund.

[Change to Bill: -\$87,400 GPR and \$87,400 SEG]
