Debora -

JFC adopted motion #267 today relating to food stamps. The motion "prohibits DHFS from eliminating the current food stamp retailer transaction fee." I couldn't find the fee referenced in statute anywhere, but it is in administrative rule. Anyway, if you aren't the right drafter for this, could you please forward this to the correct one? Thank you.

I will fax you a copy of the motion. Let me know if you have any questions.

Food Stamp Retailer Transaction Fee
[LFB Paper #407]

Motion:

Move to adopt Alternative #2 in LFB Paper #407. In addition, prohibit DHFS from eliminating the current food stamp retailer transaction fee.

Note:

HFS 252.10, the administrative rules for EBT, establishes a food stamp retailer transaction fee. HFS 252 allows DHFS to eliminate the fee and requires DHFS to publish its decision in the Wisconsin Administrative Register. This motion would provide funding for the food stamp retailer transaction fee and prohibit DHFS from eliminating the fee.

I assume that there is no language in the bill or elsewhere (other than HFS 252.10) ~~that~~ that conflicts with the language created in s. 49.797 and that needs to be (or that can be) eliminated to prevent the fee from being discontinued.
