Youth Apprenticeship and Youth Apprenticeship Training Grant Programs  
Discretionary Compensation Adjustments  
Grants for Work-Based Learning Boards

Motion:

Move to:

1. Restore the youth apprenticeship and youth apprenticeship training grant programs in the Department of Workforce Development. Provide \$1,100,000 GPR annually for youth apprenticeship training grants. Require that, in order to receive a grant, the local partnership must meet the following requirements: (a) limit the cost per student to a maximum of \$900 per youth apprentice (total grant divided by the number of students to be served); (b) provide matching funds equal to 50% of the grant amount; (c) at least 80% of two-year program participants must receive a high school diploma upon completion of the youth apprenticeship program; and (d) at least 60% of youth apprentices must be offered full-time employment by their employers upon completion of the program. In addition, provide \$365,000 GPR and 3.0 GPR positions annually to administer the program.

2. Require DOA to reduce from each state agency's budget in 2003-04 and in 2004-05 an amount equal to 27% of the amount of funding that, on an annualized basis, equals the full annualized value of discretionary compensation adjustments that were granted to non-represented classified employees in each agency in fiscal year 2001-02, including the costs of associated increased fringe benefit costs. Require DOA to deduct those amounts from the respective appropriations of those agencies and to lapse those non-GPR amounts to the general fund, except for amounts that are from federal funds or from other fund sources whose lapse would be prohibited by state or federal laws or constitutions. Reduce GPR appropriations by an estimated \$520,000 annually, PR appropriations by an estimated \$400,000 annually, and SEG appropriations by an estimated \$80,000 annually. Increase GPR-Earned by an estimated \$480,000 annually.

3. Transfer \$300,000 PR annually in tribal gaming revenue from the appropriation that supports gaming economic development and diversification grants and loans in the Department of Commerce to the Wisconsin Technical College System Board to support grants to tribal colleges for work-based learning programs.

[Change to Bill: \$1,890,000 GPR, -\$800,000 PR, -\$160,000 SEG; and \$960,000 GPR-REV and 3.0 GPR positions]

enforcement). In addition, ~~convert \$500,000 annually from snowmobile SEG to tribal gaming revenues for snowmobile trail aids.~~

8. Danbury/St. Croix Chippewa Grant. Delete \$250,000 in tribal gaming PR each year for the grant to the Town of Swiss (Danbury) in Burnett County and the St. Croix Band of Chippewa Indians for wastewater and drinking water treatment facilities. A grant of \$250,000 in each of 2003-04 and 2004-05 would remain.

9. DNR Coaster Brook Trout Reintroduction. Delete \$20,000 PR annually for coaster brook trout reintroduction efforts.

10. Delete \$260,000 PR annually from DPI and eliminate the alternative school American Indian language and culture education categorical aid program.

11. Delete \$50,000 PR annually from DPI and eliminate the grant to Beloit College for Native American culture education.

12. Delete \$150,000 PR annually in tribal gaming revenue from the University of Wisconsin System's appropriation that supports the operations and maintenance of the UW aquaculture demonstration facility.

13. Convert \$15,000 PR annually in the Department of Veterans Affairs for grants to assist American Indians in obtaining federal and state veterans benefits to funding from the veterans trust fund.

14. Convert \$57,800 PR and 1.0 PR position annually in the Department of Veterans Affairs for an American Indian services veterans benefits coordinator position to funding from the veterans trust fund.

15. Delete \$600,000 PR annually to eliminate grants to tribal colleges for work-based learning programs. (This program was transferred to WTCS by prior Committee action.)

16. ~~Move to provide a sum sufficient for DOA to make payments from tribal gaming revenue not to exceed \$225,300 PR in a fiscal year to local revenue sharing boards, as provided below. Require the creation of a four-member local revenue sharing board by the city, village, or town, and by the county, in which a Class III gaming facility (tribal casino) is located. Require the governing bodies of these political subdivisions to enact an ordinance creating the board with the members of the board appointed, as follows: (1) one member appointed by the governing body of the city, village, or town in which the facility is located; (2) one member appointed by the county board of the county in which the facility is located; (3) one member appointed by the members of the public safety group, described below; and (4) one member appointed by the governing body of the political subdivision that is most impacted by the facility, other than the political subdivisions specified in (1) or (2), as determined by the appointed members under (1), (2) and (3). Provide that not more than once every two years, a majority of the board members~~

DVA's institutional operations appropriation for the Veterans Homes.

### Wisconsin Technical College System

7. Modify the provision related to the transfer of Governor's Work-Based Learning Board (GWLB) from the Department of Workforce Development (DWD) to Wisconsin Technical College System (WTCS) to specify that incumbent employees related to the transfer of the GWLB from DWD to WTCS Board would retain their state employment rights at DWD if funding related to the position is not available for transfer to WTCS.

Note:

### Health and Family Services

*SeniorCare Copayment Increase.* In adopting Motion #178, the Committee specified that the increase in the SeniorCare copayment for brand name drugs from \$15 to \$20 would apply for individuals with benefit periods beginning September 1, 2003, or the first day of the first month, following the bill's general effective date, whichever is later. However, the fiscal effect of that provision assumed that the increase in the copayment would apply for all brand name drugs purchased under SeniorCare, beginning September 1, 2003. This motion would modify the initial applicability provision to correspond with the fiscal effect of the motion.

### Natural Resources

1. This CWD appropriation was placed in the wrong DNR program (conservations aids) in error under 2001 Act 108. Further, an appropriation that was created in the Act and that allowed for a one-time transfer from the recycling fund to the conservation fund can be deleted.

2. The effective date for hunting and fishing fee adjustments was inadvertently omitted from Motion #116.
