NATURAL RESOURCES - WATER QUALITY

Exotic Species Management  
[LFB Paper #561]

Motion:

*governor's recommendation  
- add'l amount - position*

Move to approve Alternatives 1 and 2. In addition, provide \$500,000 annually from the water resources account to increase funding available for lake protection grants. Further, require DNR to provide at least \$500,000 annually for grants to local units of government to assist with projects related to the prevention or control of aquatic invasive species, and for education and inspection programs at boat landings.

*20,370 (6) (at)  
(4) (ag)*

*ongoing or  
just this biennium?*

Note:

The motion would approve the Governor's recommendation to provide an additional \$250,000 annually from the water resources account of the conservation fund for the invasive species management program. This would increase available funding for the exotic species management program to \$550,000 annually. The motion would also provide \$28,300 in 2003-04 and \$56,600 in 2004-05 with 1.0 SEG position from the water resources account to coordinate statewide invasive species prevention and education efforts. Finally, the motion would increase funding available for lake protection grants by \$500,000 annually, and earmark the funds for grants to local units of government for projects related to control of aquatic invasive species.

[Change to Bill: \$1,084,900 SEG and 1.0 SEG position]
