PUBLIC DEFENDER

Base Budget Reductions  
[LFB Paper #600-Substitute Alternative]

Motion:

Move to adopt the Governor's recommendations (Alternative 1), as modified to: (a) provide \$30,700 GPR and 0.75 GPR position annually to the private bar and investigator reimbursement administrative appropriation; (b) provide \$735,500 GPR and 14.25 GPR positions annually to the trial representation appropriation; (c) provide \$85,100 GPR and 1.0 GPR position annually to the appellate representation appropriation; and (d) delete \$851,300 GPR annually from the private bar and investigator reimbursement appropriation. Direct the Office of the State Public Defender to report monthly to the Joint Committee on Finance as to the expenses, obligations and current balance under the private bar and investigator reimbursement appropriation.

Note:

This motion would modify the Governor's recommendations by restoring the base budget position reductions. This motion would fund the positions through an offsetting decrease to the private bar and investigator reimbursement appropriation. The private bar and investigator reimbursement appropriation is used to reimburse private bar attorneys who accept assignment of defense cases for indigent persons qualifying for State Public Defender (SPD) representation. Under current law, when the SPD determines that an accused has a right to SPD representation, the case is either assigned to an SPD staff attorney or to a private attorney.

[Change to Bill: 16.0 GPR positions]
