NATURAL RESOURCES – WATER QUALITY

Southeastern Wisconsin Fox River Commission

Motion:

Move to provide \$200,000 SEG in 2003-04 from the water resources account of the conservation fund to the recreational boating aids program. Direct DNR to provide a grant to the Southeastern Wisconsin Fox River Commission to support ongoing activities consistent with the organization's implementation plan, including: (a) initiating and coordinating surveys and research projects relating to the Southeastern Wisconsin Fox River basin; (b) acting as a liaison between federal, state, and local agencies and other organizations involved in protecting, rehabilitating, and managing water resources; and (c) providing public information relating to the Southeastern Wisconsin Fox River.

Note:

The Southeastern Wisconsin Fox River Commission was created in 1997 in order to address water resource concerns within the Fox River system. Under the implementation plan, goals of the commission include the improvement of water quality and the scenic, economic, and environmental value of the waters of the Illinois Fox River basin as well as the protection and enhancement of the recreational use of the basin's navigable waters. To date, \$575,000 has been provided to the Commission from the recreational boating project aids program since its creation in 1997.

Rebecca:

If the intent of the committee's motion is to require that part of the funding provided to the commission under this amendment be spent on the activities itemized under (a), (b), and (c) of the motion, the last sentence in this amendment is required. If using this funding for these itemized activities is discretionary, the last sentence needs to be omitted.

It is possible that a Wisconsin court would find this legislation to be a "private or local bill" which, under article IV, section 18, of the Wisconsin constitution, must be enacted as single-subject legislation. If this legislation is a "private or local bill," it cannot validly be enacted as part of the budget bill, which clearly encompasses more than one subject. In light of this, you may wish to consider introduction of this legislation as a separate bill.
