Here is Motion #178, the omnibus MA motion. It was the only motion adopted by JFC last night on MA. The Committee has finished its action on all DHFS-related items. The one remaining issue (in our area) is the Patients' Compensation Fund, which technically falls under OCL. Please call if you have questions. Thanks.

benefit for children with developmental disabilities or serious emotional disturbances and create a PR appropriation for revenue received from any cost-sharing paid by parents whose children receive publicly-funded waiver services, as required by DHFS.

q. Paper #393 (Mandatory Enrollment in Managed Care Plans for MA Recipients who Receive SSI). Modify the Governor's recommendations to decrease funding by \$6,002,800 (-\$2,496,000 GPR and -\$3,506,800 FED) in 2003-04 and increase funding by \$9,842,500 (\$4,093,500 GPR and \$5,749,000 FED) in 2004-05, to reflect the administration's revised estimates of the projected cost savings of this item. In addition, require DHFS to: (a) work with advocacy groups and managed care organizations in determining the types of services that SSI recipients, particularly those with mental health and substance abuse issues, require, and determining the capitation rates that would be provided under managed care contracts to ensure that those services are available to this population; and (b) submit the proposed managed care contracts to the appropriate standing committees for review before these contracts are offered to managed care organizations.

r. Paper #394 (BadgerCare Premiums): (Alternative 1). Approve the Governor's recommendations to increase the BadgerCare premiums to five percent of a family's monthly income but reduce funding in the bill by -\$1,659,500 (-\$512,400 GPR, -\$1,281,900 FED, and \$134,800 PR) in 2003-04 and by \$2,206,000 (-\$813,300 GPR, and -\$2,040,200 FED, and \$647,500 PR) in 2004-05 and increase PR-REV by \$134,800 in 2003-04 and \$647,500 in 2004-05 to reflect a reestimate of the alternative.

RC

s. Paper #395 (WisconCare and Hospital Assessments): (Modification) Modify the Governor's recommendations by: (a) increasing MA benefits funding by \$1,053,500 FED in 2003-04 and by \$1,053,300 FED in 2004-05 to reflect that federal funding claimed under MA would not change by substituting one state source (GPR) with another (PR); and (b) authorize DHFS to pay outstanding claims related to the WisconCare program from the MA benefits appropriation in 2003-04.
