## Choice and Charter

f. *Choice and Charter Per Pupil Payment Amount (LFB Paper #625)*. Adopt the Governor's recommendation to specify: (a) that the maximum amount paid per pupil under the choice program would be equal to the amount paid per pupil in the prior school year adjusted by the percent change in the general school aids appropriations from the previous school year to the current school year; and (b) that the per pupil payment under the charter program would be equal to the amount paid per pupil in the previous school year and the increase in the maximum per pupil amount paid to private schools under the choice program. (Alternative 1)

g. *Choice Appropriation Reestimate*. Based on the general school aids funding provisions adopted by the Committee in prior action, reestimate the maximum choice payments to be \$5,882 in 2003-04 and \$5,943 in 2004-05 (compared to \$5,838 in 2003-04 and \$5,866 in 2004-05 under SB 44). Based on the four-year-old kindergarten provisions adopted by the Committee in prior action, reestimate choice membership to be 11,421 in 2003-04 and 12,007 in 2004-05 (compared to 11,721 in 2003-04 and 12,307 in 2004-05 under SB 44). Delete \$1,248,900 in 2003-04 and \$835,300 in 2004-05 from the choice program appropriation. Adjust the MPS general school aid reduction by -\$562,000 GPR-Lapse in 2003-04 and -\$375,900 GPR-Lapse in 2004-05. (The net effect of this reestimate would be to decrease GPR expenditures by \$686,900 in 2003-04 and \$459,400 in 2004-05.)

h. *Charter Appropriation Reestimate*. Based on the general school aids funding provisions adopted by the Committee in prior action, reestimate the charter payments to be \$7,050 in 2003-04 and \$7,111 in 2004-05 (compared to \$7,006 in 2003-04 and \$7,034 in 2004-05 under SB 44). Based on the four-year-old kindergarten provisions adopted by the Committee in prior action, reestimate charter membership to be 4,564 in 2003-04 and 5,564 in 2004-05 (compared to 4,644 in 2003-04 and 5,644 in 2004-05 under SB 44). Delete \$2,186,000 in 2003-04 and \$1,665,100 in 2004-05 from the charter program appropriation attributable to these changes as well as a reestimate of the Racine charter school payment. Adjust the statewide general school aid reduction by -\$2,186,000 GPR-Lapse in 2003-04 and -\$1,665,100 GPR-Lapse in 2004-05. (The net effect of this reestimate would be no net change in GPR expenditures.)

i. *Choice Student Eligibility*. Adopt the provisions of Assembly Bill 259, which would, beginning with the 2004-05 school year, make the following modifications to the choice program: (1) delete the limit on the number of pupils who can participate in the program, which is set at 15 percent of MPS membership; (2) specify that a pupil who attends a choice school would remain eligible to participate in the program even if the pupil's family no longer meets the program's income criteria; and (3) delete the prior-year participation requirements for pupils entering the program.

j. *Choice School Eligibility*. Adopt the provisions of Assembly Bill 260, which would specify that schools located in Milwaukee County, rather than only the City of Milwaukee, that meet the eligibility criteria could accept students in the choice program, beginning with the 2004-05 school year.
