k. *Milwaukee Charter Schools.* Adopt the provisions of Assembly Bill 261, which would make the following modifications to the charter program: (1) allow pupils who reside outside MPS to attend Milwaukee charter schools; (2) delete the prior-year participation requirements for pupils entering the program; and (3) allow MPS to transport pupils attending charter schools.

mjl

l. *Racine Charter School (LFB Paper #626).* Delete the limit on the number of pupils that can enroll in the Racine charter school, which is currently set by law at 400 pupils. Specify that related aid payments to the Racine Unified School District would be capped at a maximum of 400 pupils.

Administrative and Other Funding

m. *Universal Service Fund (LFB Paper #630).* Approve the Governor's recommendation to use USF monies for a portion of public library aids (Alternative A1). However, specify that the USF-funded supplemental public library appropriation would sunset as of June 30, 2005. Also, require telecommunications providers to itemize the total customer assessment relating to non-PSC programs for the state USF on customers' bills for telecommunications services. In addition, modify the Governor's recommendations to provide statutory language that would: (a) include the payment of supplemental public library system aid as an authorized use of the universal service fund; (b) enumerate the SEG appropriations funding supplemental public library system aid, telecommunications access grants to state schools and telecommunications access grants to secured juvenile correctional facilities under the listing of appropriations used by the PSC to set annual universal service fund assessments; and (c) insert correct references to DOA appropriations in various universal service fund-supported TEACH Board appropriations being transferred under the bill to DPI (Alternative B1).

mjl

n. *Federal Administrative Funding.* Require that DPI submit for approval under a 14-day passive review by the Joint Committee on Finance, its plans for any use of federal funding that would support DPI operations, effective for proposed use of these monies beginning in 2003-04.

o. *National Teacher Certification Reestimate (LFB Paper #631).* Modify the Governor's recommendation to reestimate funding by -\$40,000 GPR in 2003-04 and -\$22,500 GPR in 2004-05 from the amounts provided in SB 44. [Alternative 2]

p. *Teacher Licensing Fee to Fund Mentoring.* Require DPI to increase fees for initial in-state and renewal teacher and administrator licenses from \$100 to \$150, effective July 1, 2004. Create a separate program revenue appropriation under DPI to receive all revenues generated by the \$50 increase and provide \$1,500,000 PR in 2004-05. Require DPI to distribute from this appropriation grants to all school districts to fund mentoring for initial educators, as required under chapter PI 34, Wisconsin Administrative Code. Require that the grants be distributed based on the number of teachers employed by each district.

q. *DPI State Operations Funding.* Increase the Governor's base budget reductions from 10% to 15% for DPI state operations appropriations, except for residential schools. Decrease
