SHARED REVENUE AND TAX RELIEF -- DIRECT AID PAYMENTS

Small Municipalities Shared Revenue Eligibility Criteria for 2003 Payments

Motion:

Move to modify the eligibility criteria for purposes of making payments in 2003 under the small municipalities shared revenue program by lowering the minimum required tax rate from one mill to 0.85 mills, if the municipality's adjusted full value is less than \$10,000,000.

Note:

This motion would extend 2003 small municipalities shared revenue payments to five municipalities with 2001(02) municipal purpose tax rates between \$0.85 and \$1.00 per \$1,000 of value and adjusted 2002 full values of less than \$10 million. Payments to the five municipalities are estimated at \$100,954. The motion would have the effect of reducing 2003 payments to the 773 municipalities that qualified for 2003 payments under current law by 0.9%. The five municipalities and their estimated payments are:

Village of Aniwa (Shawano)	\$20,002
Village of Bowler (Shawano)	22,760
Village of Kennan (Price)	21,569
Town of Ross (Forest)	16,457
Town of Wilson (Rusk)	20,166

Subject: LRBb0352/1 SMSR

I understand that the program is sunset after 2003 so this issue should be immaterial, but would you be willing to modify the draft so that the new conditions apply only to 2003 payments? I drafted the motion that way because I thought the program could be reactivated at some future time.
Thanks.
