Debora, I think this is for Joe.

*reconcile*

Joe, I'm sure you've already figured this out, but here goes anyway.  
Since the municipal aid motion removes municipalities from the county and municipal aid program, the s. 79.035 (Section 1666d) provision is no longer sufficient. We now need provisions both in the County Aid Account (s. 79.035) and the Municipal Aid Account (to be created).

Also, the reference to 2003 on line 15 does not work since the County & Muni Aid program is not operational until 2004. If you'd throw some comparable language under s. 79.02 for 2003, I think we'd be home.

Let me know if this doesn't make sense.

Like the Talking Heads, much of this stopped making sense to me some time ago.
