13 segregated revenues or segregated revenues — service appropriations is decreased
14 by the amount specified in paragraph (b) for that appropriation and the expenditure
15 estimate for each of the appropriations that are not sum certain appropriations is
16 reestimated to subtract the amount specified in paragraph (b) for that appropriation.

4 the obligations not been issued, and from each appropriation from which the moneys
5 would have been expended.

6 (c) From each sum certain appropriation of general purpose revenue identified
7 in paragraph (b), the secretary of administration shall lapse to the general fund the
8 amount specified in paragraph (b) that would otherwise have been expended from
9 each of the appropriations. The secretary of administration shall make the lapse on
10 the day on which the state agency would have been required to make the
11 expenditure. After the secretary of administration makes the lapse, each of the sum
12 certain appropriations is decreased by the amount specified in paragraph (b) for that
13 appropriation.

14 (d) For each sum sufficient appropriation of general purpose revenue identified
15 in paragraph (b), the expenditure estimate for the appropriation during the 2003–05
16 fiscal biennium is reestimated to subtract the amount specified in paragraph (b) for
17 that appropriation.

18 (e) 1. Except as provided in subdivision 2., from each appropriation of program
19 revenues or program revenues–service identified in paragraph (b), the secretary of
20 administration shall lapse to the general fund the amount specified in paragraph (b)
21 that would otherwise have been expended from each of the appropriations. The
22 secretary of administration shall make the lapse on the day on which the state

2 paragraph (b) for that appropriation.

3 2. From each appropriation of federal revenues, the secretary of administration

7 paragraph (b), the secretary of administration shall lapse to the underlying fund the
8 amount specified in paragraph (b) that would otherwise have been expended from
9 each of the appropriations. The secretary of administration shall make the lapse on
10 the day on which the state agency would have been required to make the
11 expenditure. After the secretary of administration makes the lapse, each of the sum
12 certain segregated revenues or segregated revenues — service appropriations is
13 decreased by the amount specified in paragraph (b) for that appropriation, and the
14 expenditure estimate for each of the appropriations that are not sum certain
15 appropriations is reestimated to subtract the amount specified in paragraph (b) for
16 that appropriation. The secretary of administration shall then transfer the lapsed
17 amounts and an amount equal to the amount subtracted from the estimates to the
18 general fund.

19 2. From each appropriation of segregated federal revenues, the secretary of
20 administration shall determine the amount that is transferred to the general fund.
