benefit for children with developmental disabilities or serious emotional disturbances and create a PR appropriation for revenue received from any cost-sharing paid by parents whose children receive publicly-funded waiver services, as required by DHFS.

q. Paper #393 (Mandatory Enrollment in Managed Care Plans for MA Recipients who Receive SSI). Modify the Governor's recommendations to decrease funding by \$6,002,800 (-\$2,496,000 GPR and -\$3,506,800 FED) in 2003-04 and increase funding by \$9,842,500 (\$4,093,500 GPR and \$5,749,000 FED) in 2004-05, to reflect the administration's revised estimates of the projected cost savings of this item. In addition, require DHFS to: (a) work with advocacy groups and managed care organizations in determining the types of services that SSI recipients, particularly those with mental health and substance abuse issues, require, and determining the capitation rates that would be provided under managed care contracts to ensure that those services are available to this population; and (b) submit the proposed managed care contracts to the appropriate standing committees for review before these contracts are offered to managed care organizations.

r. Paper #394 (BadgerCare Premiums): (Alternative 1). Approve the Governor's recommendations to increase the BadgerCare premiums to five percent of a family's monthly income but reduce funding in the bill by -\$1,659,500 (-\$512,400 GPR, -\$1,281,900 FED, and \$134,800 PR) in 2003-04 and by \$2,206,000 (-\$813,300 GPR, and -\$2,040,200 FED, and \$647,500 PR) in 2004-05 and increase PR-REV by \$134,800 in 2003-04 and \$647,500 in 2004-05 to reflect a reestimate of the alternative.

s. Paper #395 (WisconCare and Hospital Assessments): (Modification) Modify the Governor's recommendations by: (a) increasing MA benefits funding by \$1,053,500 FED in 2003-04 and by \$1,053,300 FED in 2004-05 to reflect that federal funding claimed under MA would not change by substituting one state source (GPR) with another (PR); and (b) authorize DHFS to pay outstanding claims related to the WisconCare program from the MA benefits appropriation in 2003-04.

t. Paper #396 (Irrevocable Burial Trusts): (Alternative 5). Delete the Governor's provision. Consequently, on July 1, 2003, the irrevocable burial trust limit would increase to \$3,000, as provided under current law. Increase funding by \$764,600 (\$318,000 GPR and \$446,600 FED) in 2004-05.

u. Paper #397 (Personal Needs Allowance). (Alternative 3). Delete the Governor's provision. Consequently, the personal needs allowance would remain at \$45 per month. Increase funding by \$4,117,800 (\$1,712,400 GPR and \$2,405,400 FED) in 2003-04 and by \$4,117,300 (\$1,712,400 GPR and \$2,404,900 FED) in 2004-05.

Other Items Addressed in SB 44

w. Prescription Drug Benefits (LFB Summary -- p. 212, #3): Modify the Governor's provision as follows:

Subject: RE: budget amendment

Hi Pam,

I think you are correct about FED and PR, but SEG is limited to the amounts in the schedule I believe. But I could be wrong about that because I didn't doublecheck the language. Nonetheless, the GPR cost to restore BadgerCare premiums to current law is \$918,600 in 2003-04 and \$1,618,000 in 2004-05 based on the JFC sub. Let me know if you need anything else. Thanks!

Hi, Rachel:

I have an amendment request to undo the BadgerCare premium increase. What funding change(s) would I have to make? I'm assuming I would affect only 20.435 (1) (bc), since the PR, FED, and SEG appropriations are estimates. Thanks for your help!

Pam
