Hi Steve,

Senator Risser would like the following amendments drafted to the JFC version of the budget:

- 1) the contents of Assembly Bill 391, adding payments to related entities to federal taxable income for state income tax and franchise tax purposes.
- 2) LRBb0093/2 relating to reinstatement privileges and restoration rights for certain state employees laid off during the 2003-05 fiscal biennium.

and 3) relating to the Building Program: restore general fund supported borrowing (bonding) for maintenance to the level of funding in the Governor's budget. (JFC decreased it by \$30 million.

Thanks so much.
