

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBb0554/1dn
RLR:kjf:pg

June 17, 2003

Katie:

This amendment appropriates \$50,000 in each year of the fiscal biennium to fund operation of an Amber Alert system. Since there is currently no reference to the Amber Alert system in the statutes, you may wish to add language to this amendment that requires the Department of Justice to operate an Amber Alert system and specifies what an Amber Alert system is.
