That sounds fine. I'll just use the first day of spring as the commencement date, since I will need a specific date, unless you give me a different date. Thanks. Aaron

aaron--

seeing as how i can't seem to pin down a length of time it takes to build one of these things, how 'bout we do this?

1. set a construction start date of Spring 2007 for US Highway 41 project in Brown County but don't specify completion date.
2. set a spring 2006 start date for the construction phase of US Highway 41 between oconto-peshtigo that includes the deadline we discussed earlier.

thanks, Aaron.

Jay

Memorial Day is Monday, May 25, 2009. So I'll draft it to require completion by [Friday] May 22, 2009. OK?

Do you have a date yet for the USH 41 project? Thanks.

Aaron--

This appears to be the language for the Oconto-Marinette project. We would like a deadline for the week before Memorial Day, 2009--although i'm not sure what the exact date is.

(zb) USH 41 extending from 1.5 miles south of Frog Pond Road in Oconto County to 1.3 miles north of Schacht Road in Marinette County.
