39 Workforce Development	\$350,000	\$350,000	Vocational rehabilitation services for Native American individuals and American Indian tribes or bands.
Total Allocations	\$24,630,300	\$24,630,300	

3. LOCAL REVENUE SHARING BOARDS FOR THE REIMBURSEMENT OF CASINO-RELATED COSTS PR \$450,600

Joint Finance: Provide a sum sufficient for DOA to make payments from tribal gaming revenue not to exceed \$225,300 in a fiscal year to local revenue sharing boards, as provided below. Require the creation of a four-member local revenue sharing board by the city, village, or town, and by the county, in which a Class III gaming facility (tribal casino) is located. Require the governing bodies of these political subdivisions to enact an ordinance creating the board with the members of the board appointed, as follows: (a) one member appointed by the governing body of the city, village, or town in which the facility is located; (b) one member appointed by the county board of the county in which the facility is located; (c) one member appointed by the members of the public safety group, described below; and (d) one member appointed by the governing body of the political subdivision that is most impacted by the facility, other than the political subdivisions specified in (a) or (b), as determined by the appointed members under (a), (b) and (c). Provide that, not more than once every two years, a majority of the board members may select a different political subdivision under (d) and the governing body of that political subdivision would appoint one member to the board.

Require that all political subdivisions whose public safety entities are obligated to provide services to a particular facility must establish a group that is made up of the highest ranking member of each public safety entity [this group would appoint one member under (c) above]. Define public safety entities as all of the following departments, agencies, or subunits of a political subdivision that are obligated to provide services to a particular facility: (i) a fire department; (ii) an emergency medical services department, whose personnel include a licensed emergency medical technician, a certified first responder, or other personnel who operate or staff an ambulance or authorized emergency vehicle; and (iii) a governmental unit of one or more persons employed full time by a political subdivision for the purpose of preventing and detecting crime and enforcing state laws or local ordinances, and the employees of this unit are authorized to make arrests for crimes while acting within the scope of their authority.

Provide that each member of the board would serve at the pleasure of the governing body or group that appoints the individual, except that the public safety group member's term would end upon the selection of a new member, who would serve at the pleasure of the public safety group.

Provide that the board would select from among its members a president, vice president, and secretary-treasurer. Require that meetings of the board may be called by the president or
