1 **20.9265 Business subsidies; awarding and reporting requirements. (1)**

2 DEVELOPING CRITERIA; APPLICATION REQUIREMENTS; PUBLIC HEARINGS; PROHIBITIONS. (a)
3 Every grantor shall develop criteria for awarding business subsidies. The criteria
4 shall set minimum requirements that a business must meet to be eligible for a
5 business subsidy. The criteria shall provide that, if the public purpose for the subsidy
6 is job creation, all jobs created as a result of the subsidy must provide compensation
7 that is equal to at least 200% of the federal poverty line, as defined under 42 USC
8 9902 (2), for a family of 2 persons. Compensation may include health insurance
9 premiums paid by the employer on behalf of the employee, for purposes of
10 determining whether this requirement is met.

11 (b) No grantor may award a business subsidy until the grantor has developed
12 the criteria required under par. (a).

13 (c) A copy of the criteria developed under par. (a) shall be submitted along with
14 the first annual report filed by the grantor under sub. (4). A copy of any changes to
15 the original set of criteria developed under par. (a) shall be submitted along with the
16 first annual report that is filed by the grantor after the changes are made. If in
17 awarding a business subsidy a grantor deviates from the criteria developed under
18 par. (a), the grantor shall document the reason for the deviation in writing and
19 submit a copy of that documentation along with the first annual report that is filed
20 by the grantor after the deviation occurs.

21 (cm) 1. Every applicant for a business subsidy shall reveal in the application
22 whether, in the preceding 5 years, the applicant has been determined by an
23 administrative proceeding, civil action, criminal action, or other legal proceeding to
24 have violated any federal or state environmental or labor law. For purposes of this
25 paragraph, issuance of an order or acceptance of an agreement requiring corrective

1 action or a stipulated fine, forfeiture, or other penalty is considered a determination
2 of a violation, regardless of whether there is a finding or admission of liability.

3 2. For a violation described in subd. 1. that resulted in a finding, the applicant
4 shall describe the finding and the penalty assessed and shall specify the entity that
5 made the finding and the location of the public records relating to the matter.

6 3. For a violation described in subd. 1. that resulted in an agreement for
7 corrective action or a stipulated fine, forfeiture, or other penalty, the applicant shall
8 provide a summary description of the violation that led to the agreement or
9 stipulation and, if the agreement or stipulation is a public record, a summary
10 description of the agreement or stipulation and the location of the agreement or
11 stipulation as a public record.

12 (d) 1. Except as provided in subds. 2. and 3., before awarding a business subsidy
13 in the amount of \$500,000 or greater to a subsidy applicant, a grantor shall hold at
14 least one public meeting in the political subdivision in which the applicant proposes
15 to conduct the project for which the subsidy will be used. The public meeting must
16 be held at least 30 days before the final decision is made on whether to award the
17 business subsidy to the applicant for the purpose of providing information, and
18 receiving public comment, about the subsidy. The grantor shall give notice of the
19 meeting in a manner that is likely to give notice in the political subdivision in which
20 the applicant proposes to conduct the project for which the subsidy will be used.

21 2. The requirement under subd. 1. does not apply if, under another process that
22 is separate and distinct from the process under this section, at least one public
23 hearing has been held with respect to the project for which the subsidy will be used.

1 3. The requirement under subd. 1. does not apply if the secretary of
2 administration grants a waiver of the requirement because there is insufficient time
3 to hold a public meeting.

4 (e) A grantor may not award to a business subsidy applicant a business subsidy
5 in the form of a grant, a loan, or a contribution of personal or real property if any of
6 the following applies:

7 1. The business subsidy will be used to subsidize any portion of the cost of
8 moving the applicant's business operations from one political subdivision in this
9 state to another political subdivision in this state. This subdivision does not apply
10 if the governing body of the political subdivision from which the applicant intends
11 to move consents to the move in writing, which may be by resolution.

12 2. The business subsidy will be used to subsidize any portion of the cost of
13 moving the applicant's business operations to this state from a state with which this
14 state has entered into an agreement or compact related to businesses moving from
15 one state to another, except as allowed under the terms of the agreement or compact.

16 (f) 1. Except as provided in subd. 2., a recipient may not apply for another

19 6 months of the time required for submitting such report under sub. (3) (b).

20 2. A recipient that submits a report more than 6 months after the time required
21 under sub. (3) (b) may apply for, and may be awarded, another business subsidy only
22 upon the approval of the secretary of administration.

25 any depreciable tangible personal property purchased with money obtained through

1 the subsidy will remain in Wisconsin for at least 5 years or, if the property is mobile,
2 the property's base of operations for at least 50% of its use will be at a location in
3 Wisconsin for at least 5 years.

4 (b) A subsidy agreement under par. (a) shall be in writing and signed by both
5 the recipient and the grantor. If the grantor is a local government agency that is not
6 a political subdivision, the governing body of the political subdivision within which
7 the local government agency operates must approve the agreement.
