Morning:

I apologize for getting this information to you so late. I had to learn what Rep. Boyle actually wanted. But, I'm getting a little pressure here to sign off on the drafts for the Boyle Amendment. So, I'm just wondering if you got my message earlier to eliminate the language regarding the restoration of the 20% cut. And then I was wondering if you wanted to combine the restoration of the tribal gaming and the 10% lapses into one draft. If so, I need to know which LRB # you will use, so I can report that to the powers that be here. Thanks a lot for all of your help!!!
