Pam -

Yes, Boyle and Schneider want to restore the $250,000 annually in TANF funding that is cut under the Gov and JFC versions of the bill. So, funding in DHFS and DWD should increase.

Let me know if you have any questions,

Thank you. What I would do is increase the amounts shown for that appropriation on page 194, line 6. Do I also increase the amounts for 20.445 (3) (md)?

Sorry - I get stuck in our budget lingo and forget that just because I know what I'm talking about doesn't mean that others do! Yes to the change you mention in 49.175. In addition, 20.435(3)(km) should be increased by $250,000 PR annually. I don't know how you do this as part of a budget amendment - maybe we just do it as part of the Chapter 20 later? There is no language change associated with 20.435(3)(km).

I'm sorry, but I'm not sure what you mean by both DHFS and DWD funding should increase. I assume I change s. 49.175 (1) (ze) 8., but I don't know if I need to increase any appropriation(s).

Charlie:

For this same redraft: do I leave 49.175 (1) (ze) 8. as it is in the sub, since the amount shown there is the TANF allocation and does not take into account any amounts in 20.435 (3) (cd)?
