I am assuming the same thing and yes, the 4(bc) increase is \$491,600 in 2003-04 and \$2,360,900 in 2004-05. Hang in there!

Rachel:

Is there a GPR increase if I delete all of the BadgerCare eligibility provisions in the sub? (I assume everything mentioned in point 21. under Health Care Financing in the Comparative Summary)

Pam,
I should clarify. The funding amounts below are related to just Item #21. The funding change associated with restoring the BC premiums to current law is included in the spreadsheet I sent you on the Kreuser amendment.
