PSC/District Attorney's Office

MDK

Create a 3 cent cell phone surcharge through PSC. Transfer funds to the District Attorney's base budget and GPR fund. \$240,000 annually of these funds would be directed to amend JFC language under the District Attorney's Office restoring 4.0 positions (item #2, page 212 of the comparative summary). In addition, add 1.0 assistant district attorney positions to Dane County's multijurisdictional enforcement group at approximately \$94,225 in 03-04 and \$97,700 in 04-05 (item #3, page 212 of the comparative summary) to prosecute domestic violence cases. Lapse remaining funds to GPR. (Comparative Summary page 212)

DOA, General Fund Taxes

JK

Delete JFC provision maintaining 3 positions for the Tax Appeals Commission and increased funding of \$317,600 above Gov's proposal. (comparative Summary page 40 and page 274-275.)

DHFS

DAN

Amend Joint Finance language for the COP, CIP, Community Support Programs, Family Care, Non-institutional Provider Rates, and Nursing Home for Long-Term Care to allow DHFS to implement Governor's funding and language for these programs when MA funds become available. DHFS would report to (DOA and DOR) when these changes are implemented. This would eliminate the requirement that DHFS report to the legislature and make only recommendations. (Comparative Summary page 353/item #1, page 355-356/item #4, page 356-357/item #6, page 325/item#11, page 344/item#5)

DHFS/DWD

PJK
GMA
?

Restore funding and statutory allocation authority within the TANF program for the nutritional services program (WIC) for women, infants and children. (Comparative Summary page 282-283 and 738)

st

DNR

RCT

1. Amend the Governor/Joint Finance language to extend the sunset deadline of the recycling compliance grant program from December 31, 2005 to December 31, 2012. (Page 488 of comparative summary)

RNK
or
KRW

2. Eliminate the printing and distribution of collector trout, turkey, pheasant and duck stamps. These stamps use to be used for license validation. However, since ALIS (automated licensing issuance system), they are not longer necessary. Currently, any license hunter or angler can request the stamps at DNR service centers and obtain them free of charge.

Legislature (Legislative Audit Bureau)

JTK

Add language to the budget bill that implements the subsidy accountability and reporting act. This would require agencies that grant business subsidies in excess of \$25,000 (\$75,000 for loan or loan guarantee) to: create written standards for the awarding of subsidies; enter into written agreements with the recipient of the subsidy; report subsidy activity annually to Legislative Audit Bureau; conform to minimum standards

Carri:

For the amendment to restore funding and TANF allocation for WIC, I assume I get rid of the repeal of 49.175 (1) (ze) 6. and increase 20.445 (3) (md) by \$1,000,000 each fiscal year. Right? Anything else?

Thanks
Pam
