ASSEMBLY BILL 248

participating in the Milwaukee Parental Choice Program (MPCP), under which certain low-income pupils who reside in the city of Milwaukee may attend participating private schools in Milwaukee at state expense.

This bill provides that the governing body of a private school participating in the MPCP must adopt academic standards and administer the fourth, eighth, and tenth grade examinations and the high school graduation examination to pupils enrolled in the private school under the MPCP. The governing body may either adopt DPI's examinations or develop its own.

Under current law, by September 1, 2004, each school board and the operator of each independent charter school must develop written policies specifying criteria for granting a high school diploma. Beginning on September 1, 2005, neither a school board nor the operator of an independent charter school may grant a high school diploma to any pupil unless the pupil has satisfied the criteria. Similarly, each school board and each independent charter school must adopt policies specifying criteria for promoting a pupil from the fourth grade to the fifth grade and from the eighth grade to the ninth grade. A pupil may not be promoted unless he or she satisfies the promotion criteria.

This bill imposes upon private schools participating in the MPCP the same prohibitions against graduation and promotion (for pupils attending the private school under the MPCP) that are imposed upon school boards and independent charter schools.

Under current law, each school board must administer to all pupils enrolled in the school district in the third grade, including pupils enrolled in charter schools (other than independent charter schools) located in the school district, a standardized reading test developed by DPI. The independent charter schools are required to administer this test to their third grade pupils. Private schools participating in the MPCP are not required to administer this test. This bill imposes this requirement on these private schools.

This bill requires that DPI provide all of the examinations administered to MPCP pupils, and score the examinations, free of charge. The bill also prohibits DPI from disclosing the results of the examinations administered to MPCP pupils, except that DPI must publish the aggregate results and must report each pupil's scores to the pupil's parent or guardian.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
