Transfer of Certain State Aircraft Sale Proceeds to the General Fund. Direct DOA to transfer to the general fund on the later of July 1, 2003, or the general effective date of the biennial budget act, the proceeds from the sale of two Wisconsin Air Services aircraft during 2002-03. Reestimate the agency's GPR-Earned receipts by \$82,400 in 2003-04 to reflect this transfer. Provisions of 2001 Wisconsin Act 16 required DOA to liquidate two state-owned aircraft and to credit the proceeds in the general fund. A subsequent Legislative Audit Bureau review determined that the proceeds had instead been credited to the Department's transportation and other services program revenue appropriation rather than to the general fund.

Reinstatement Privileges and Restoration Rights for Laid-off Employees. Provide that notwithstanding current law, a state employee laid-off during the 2003-05 fiscal biennium because the agency employing the employee is eliminated or the functions which the employee performed were transferred to a different state agency than the one from which the employee was laid off from would continue to have the same rights to reinstatement and restoration to state service as provided to other state employees under current law. Provide further that these provisions would apply to represented employees notwithstanding the provisions of existing collective bargaining agreements, except that such provisions apply only until the day before the effective date of any collective bargaining agreement for 2003-05 that covers that employee. After that date, the provisions of the 2003-05 collective bargaining agreement would prevail for that employee.
