## *Analysis by the Legislative Reference Bureau*

### *Engrossment information:*

The text of Engrossed 2003 Assembly Bill 88 consists of the bill, as affected by the following documents adopted in the assembly on May 29, 2003: the bill as affected by Assembly Amendment 1.

**ENGROSSED ASSEMBLY BILL 88*****Content of Engrossed 2003 Assembly Bill 88:***

Under current law, a person may not operate a motor vehicle if he or she has an alcohol concentration of 0.1 or more. If a person has two convictions relating to operating a motor vehicle with a prohibited alcohol concentration, he or she may not operate a motor vehicle if he or she has an alcohol concentration of 0.08 or more. If a person has three or more convictions relating to operating a motor vehicle with a prohibited alcohol concentration, he or she may not operate a motor vehicle if he or she has an alcohol concentration of 0.02 or more.

Under current law, a person may not operate an all-terrain vehicle, a snowmobile, or a boat if he or she has an alcohol concentration of 0.1 or more.

Current law requires a person who is convicted of operating a motor vehicle with a prohibited alcohol concentration to pay various court costs and fees in addition to the fine or forfeiture imposed for the violation. Also under current law the Department of Transportation (DOT) maintains, permanently, a record of the person's violation as a part of his or her driving record.

This bill changes the prohibited alcohol concentration from 0.1 to 0.08 for a person with one or no prior convictions relating to operating a motor vehicle with a prohibited alcohol concentration and from 0.1 to 0.08 for a person operating an all-terrain vehicle, a snowmobile, or a boat.

The bill eliminates the various additional court costs and fees for a person who violates, for the first time, the prohibition against operating a motor vehicle with a prohibited alcohol concentration if the person's alcohol concentration was between 0.08 and 0.099 at the time of the violation.

The bill also requires DOT to purge, after ten years, a person's driving record of a first violation for operating a motor vehicle with a prohibited alcohol concentration if the person had an alcohol concentration between 0.08 and 0.099 at the time of the violation and if the person is not convicted of another violation related to operating a motor vehicle while intoxicated.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
