

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa0590/1dn

June 2, 2003

Senator Decker:

This amendment allows local governments to receive grants for costs incurred after the 3-year limit. However, the amendment does not affect the 3-year limit on costs that are reimbursable for wireless providers. Is that okay, or do you also want to eliminate the 3-year limit on wireless providers' costs?
