Senator Leibham:

This substitute amendment, which incorporates 3 Legislative Council amendments (i.e., WLC:0194/2, WLC:0195/2, and WLC:0196/2), as well as LRBa0588/2 and LRBa0589/1.

Please note that I made slight changes to the suggested wording of the first sentence of proposed s. 146.70 (3m) (d) 1g. (The suggested wording is included in WLC:0194/2).

Finally, there is a mistake in LRBa0588/2, which I have corrected in this substitute amendment. The mistake is that the amendment deletes the phrase "making appropriations" from the relating clause. Because the appropriation for making the grants remains in the bill (but the other appropriations are eliminated), the relating clause should include the phrase "making an appropriation".
