Subject: Redraft of 2003 LRB 0800/1

We're working with Representative Cullen's office to offer a Senate companion to the draft referenced above, relating to a waiting list for open enrollment. Can you draft a copy for us (or direct this to the appropriate drafter for action), exactly matching 0800/1? You may wish to contact Ritch Williams in Rep. Cullen's office for authorization to do so, if it is needed. Thanks!

2003 BILL

Repeal

1 **AN ACT to create** 118.51 (5) (d) of the statutes; **relating to:** open enrollment in
2 public schools and requiring the exercise of rule-making authority.

Analysis by the Legislative Reference Bureau

Under the open enrollment program, a pupil may attend any public school located outside of his or her school district of residence if the pupil's parent or guardian complies with certain procedures and meets certain application deadlines. School boards' acceptance and rejection criteria for open enrollment applications may include, among other things, availability of space. A school board may include in its count of occupied spaces pupils and siblings of pupils who are already attending school in the nonresident school district. In addition, if the school board of a nonresident school district receives more applications than there are spaces available, the school board must determine on a random basis which pupils to accept, after giving preference to pupils and siblings of pupils who are already attending school in the school district.

This bill allows the school board of a nonresident school district to create a waiting list for open enrollment.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
