Assumptions Used in Arriving at Fiscal Estimate

This bill allows a school board of a nonresident school to create a waiting list for open enrollment, and requires the department to promulgate rules to implement the bill. This bill pertains to a school district's selection process of pupils attending nonresident school districts under the open enrollment program and has no direct fiscal effect on districts or the state. The department can absorb the costs of promulgating the rule.

State fiscal effect
This bill has no anticipated fiscal effect.

Local fiscal effect
This bill has no anticipated fiscal effect.
